

U.S. TRADE AND DEVELOPMENT AGENCY

You are invited to a business briefing with senior Chinese civil aviation officials responsible for implementing environmental projects in the sustainable airport development sector.

TUESDAY, SEPTEMBER 15, 2009

USTDA HEADQUARTERS

1000 Wilson Blvd., 15th Floor | Arlington, VA

The goal of this briefing is to introduce a delegation of high-ranking Chinese airport officials from the Civil Aviation Administration of China (CAAC) to U.S. companies interested in learning more about environmental projects in the China airport development sector and to showcase U.S. technologies and best practices. The delegates from CAAC will already have participated in presentations on air quality, water quality, sustainability projects, recycling and energy efficiency programs, during airport briefings/tours from September 8 through 17 in San Francisco, Seattle, Denver, Washington, D.C. and New York. U.S. companies will have the opportunity to hear presentations from CAAC officials on future projects, both short-term and long-term, and proposals for exploring the development of airport environmental partnerships. Please refer to the second page for information on sponsoring and attending a dinner with CAAC delegates in Seattle, Denver, Washington, D.C. or New York.

Sponsored by the U.S. Trade and Development Agency

In cooperation with the U.S. Federal Aviation Administration

U.S. TRADE AND DEVELOPMENT AGENCY
